

# HARDCOAT INC.

## ROHS / REACH COMPLIANT PROCESSES

The RoHS / REACH directive aims to restrict certain dangerous substances commonly used in electronic and electronic equipment. Any RoHS / REACH compliant component is tested for the presence of Lead (Pb), Cadmium (Cd), Mercury (Hg), Hexavalent chromium (Hex-Cr), Polybrominated biphenyls (PBB), and Polybrominated diphenyl ethers (PBDE). Hardcoat's processes meet or exceed these standards.
